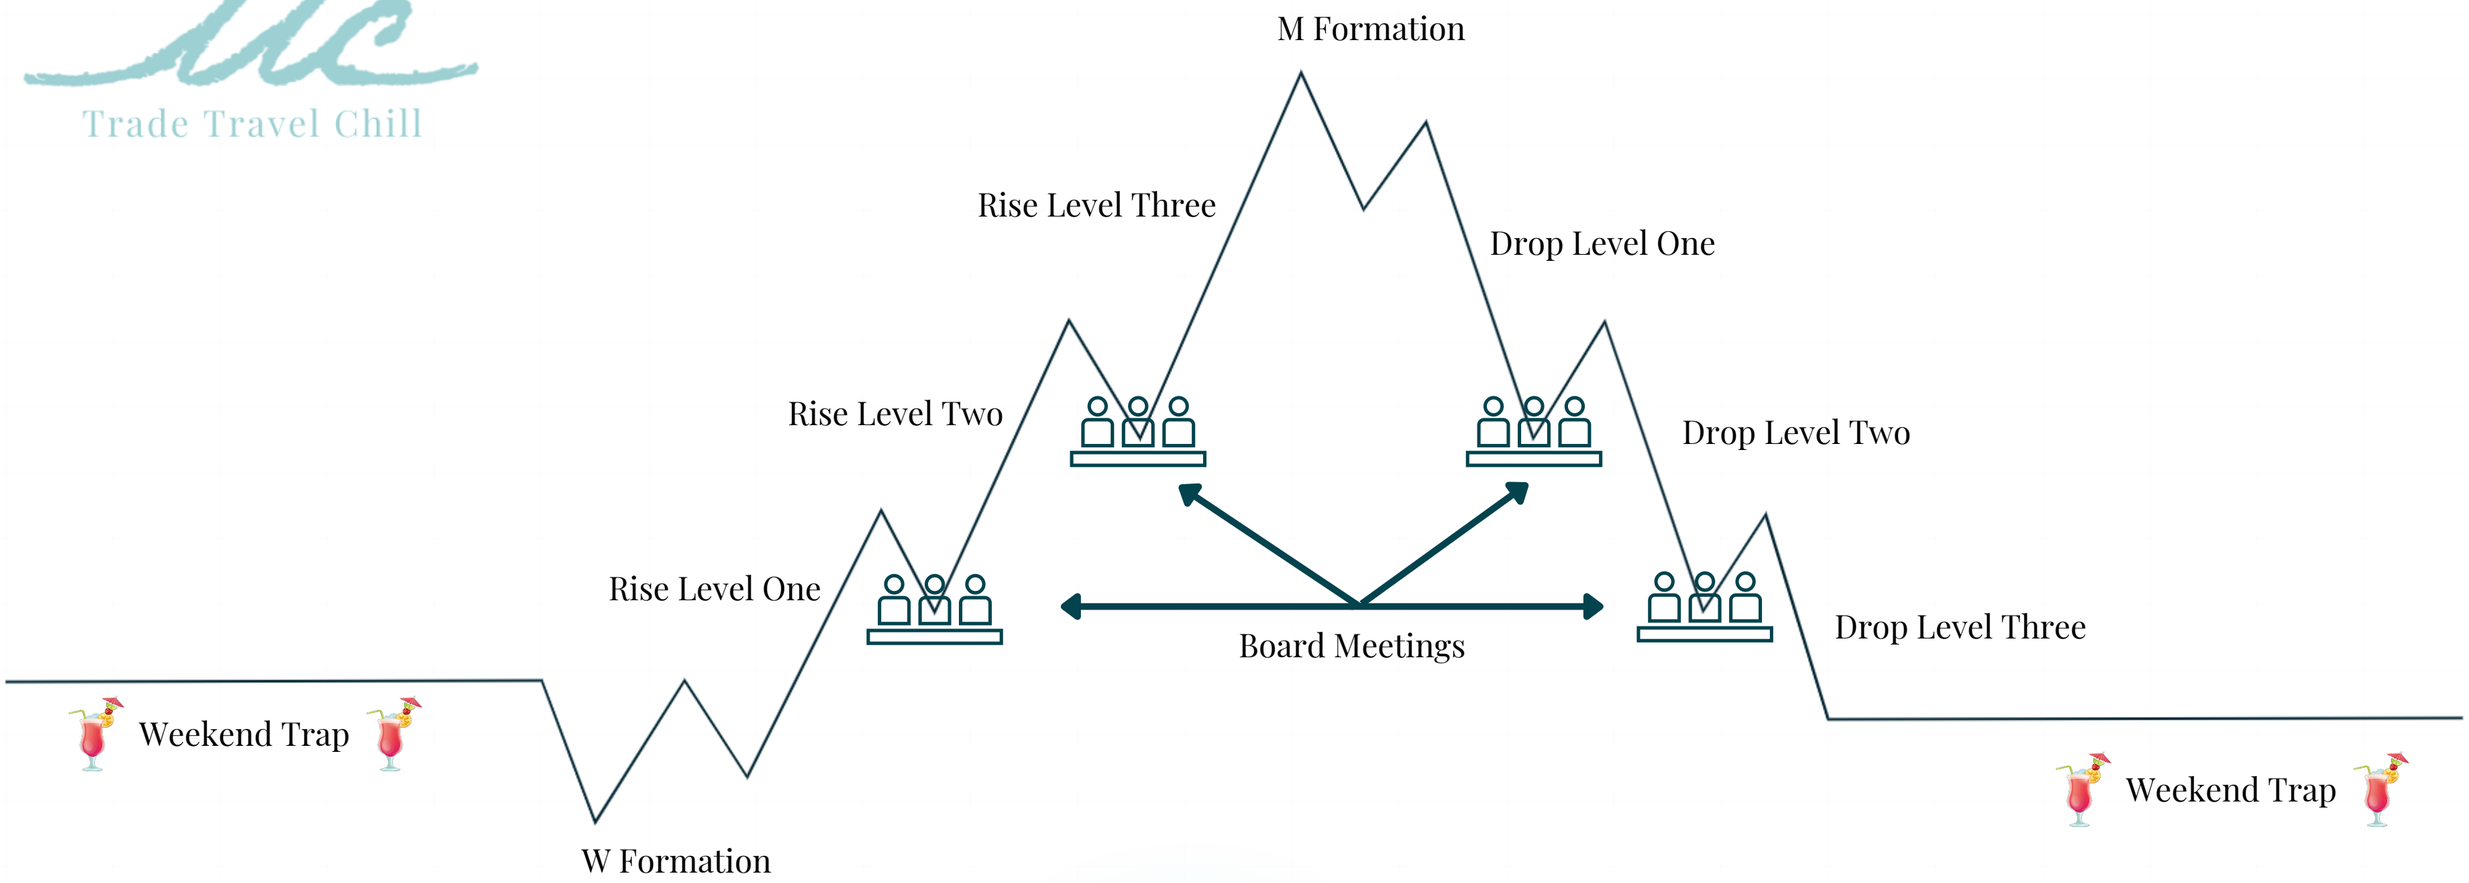
The Formation We Trade By



Key

W formation - A higher low after the low of the last 3 level drop
Rise Level 1/2/3 - 3 Pushes to the upside, usually with increased volume
Board Meeting - Consolidation that can happen between levels but NOT a MUST

M formation - A lower high after the high of the last 3 level rise
Drop Level 1/2/3 - 3 Pushes to the downside, usually with increased volume
Weekend Trap - A fake move on Friday designed to trap you into consolidation
