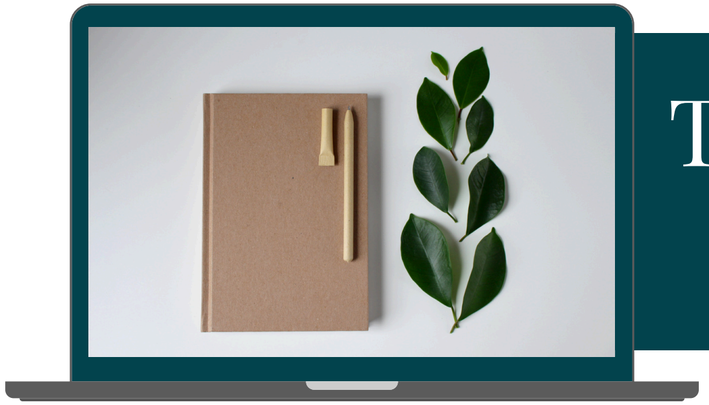
ENTRY TYPES

M & W FORMATION

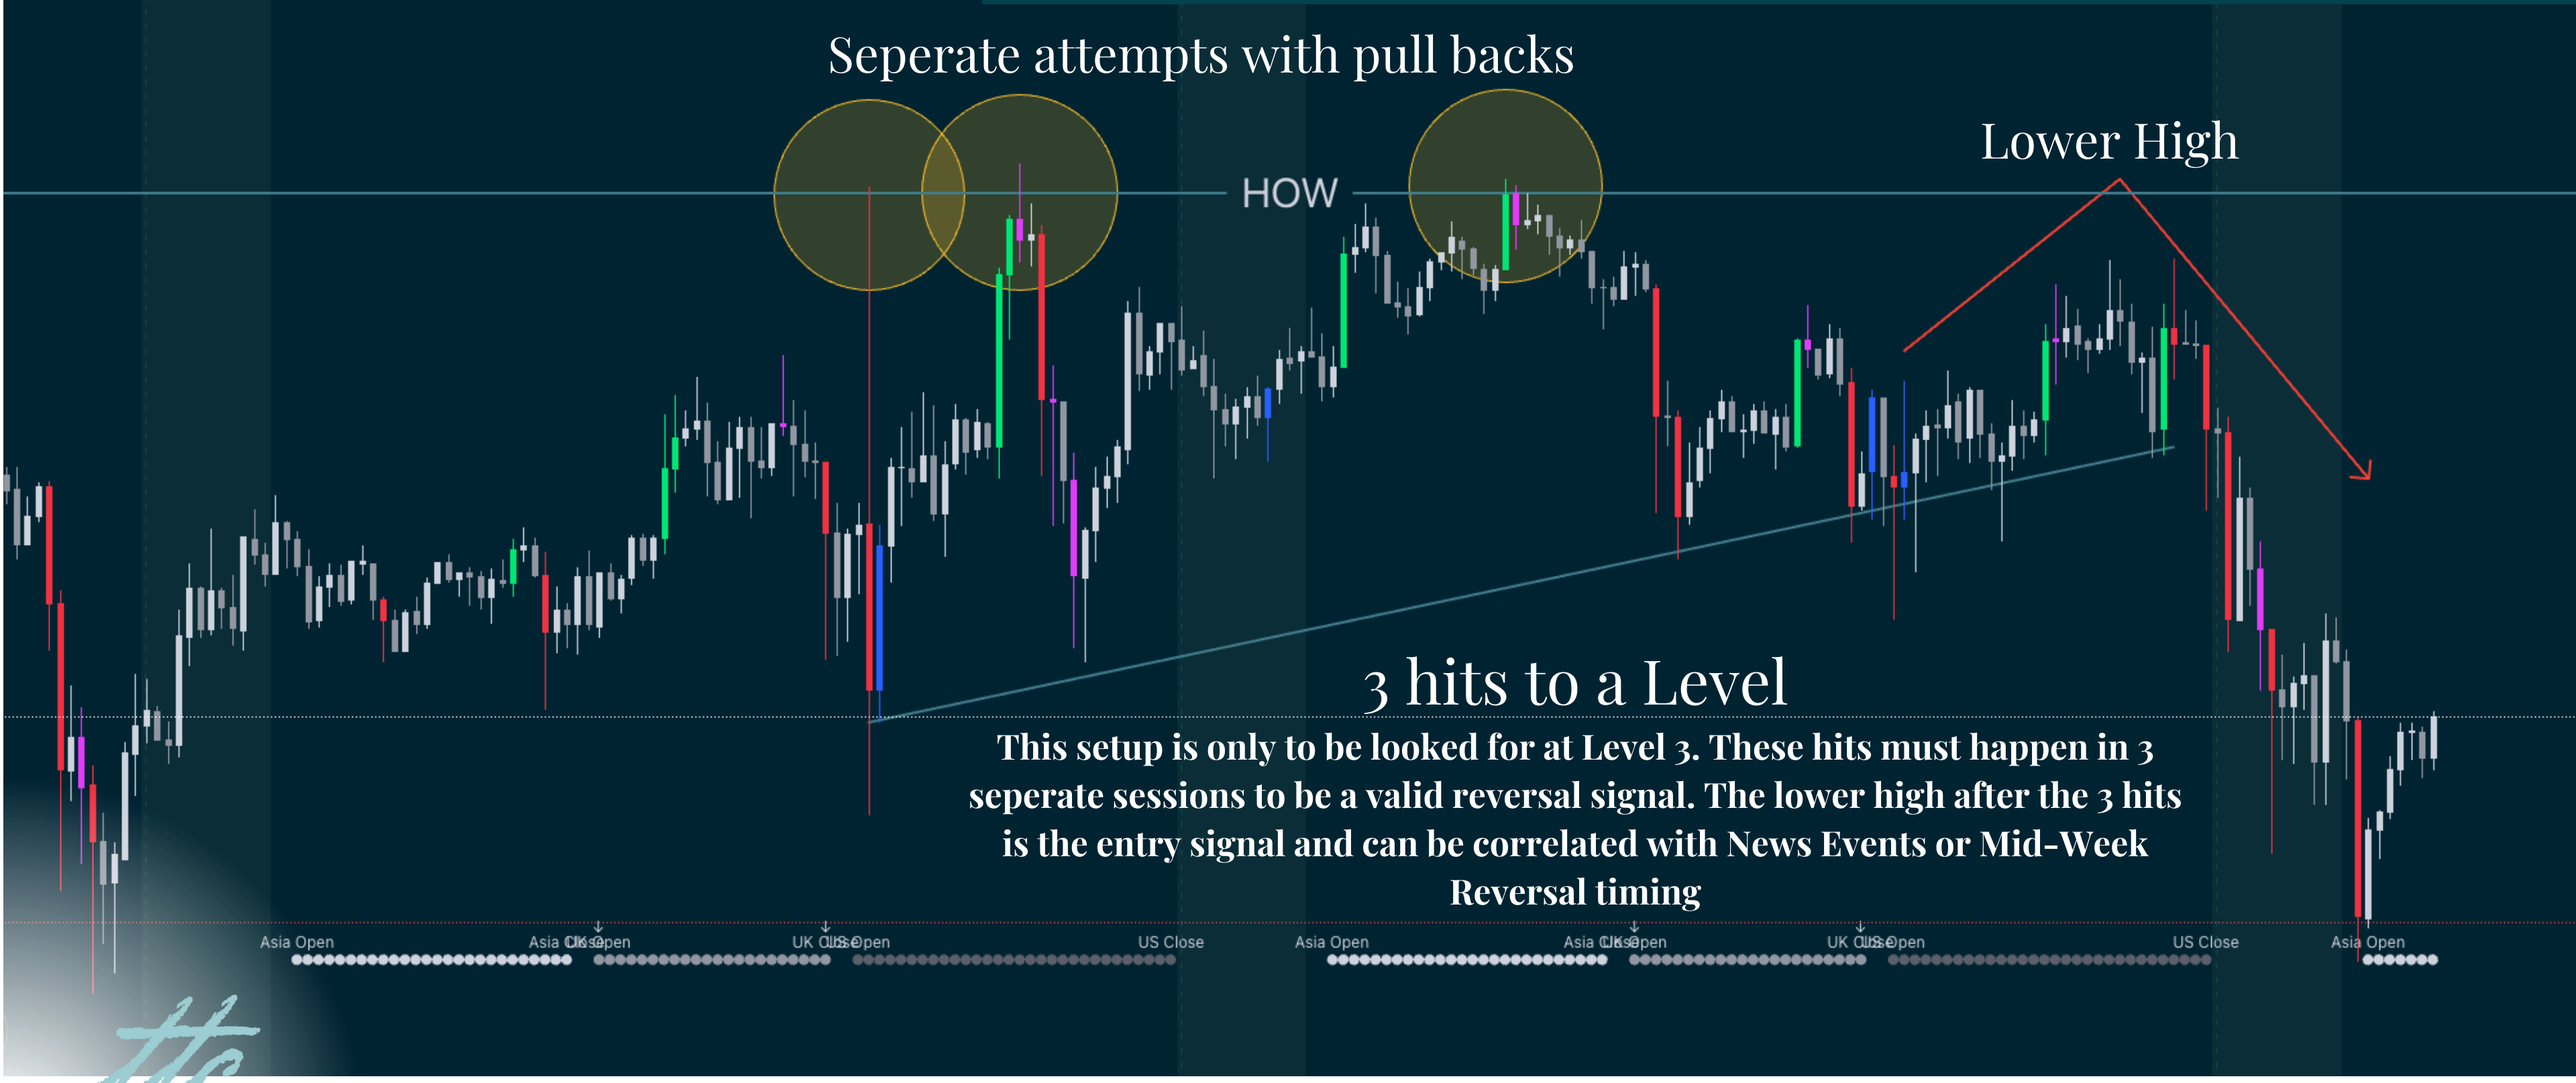
M Formation at HOD or HOW. W Formation at LOD or LOW. After 3 levels completed.



THREE HITS TO A LEVEL

Price repeats a level three times over minimum 2 sessions at level three without breaking the level.

3 Hits to a Level



3 hits to a Level

This setup is only to be looked for at Level 3. These hits must happen in 3 seperate sessions to be a valid reversal signal. The lower high after the 3 hits is the entry signal and can be correlated with News Events or Mid-Week Reversal timing
